“

RACHEL DOCHERTY,
BACHELOR OF ARTS (HISTORY
& INDIGENOUS STUDIES)

After a career with Qantas, Rachel wanted a change and realised she needed a degree to open up opportunities.

“I wanted to study with a top ranking university and obtain practical experiences to expand my skill base. I was able to achieve this at the UOW Southern Highlands campus while maintaining my family and personal commitments.

The opportunity to complete an internship as part of my degree added to my ‘toolkit’. I know I have developed the skills and confidence for a broader range of careers”.
